# Your Steps to Success

## BUILD

Build a team to support you.  
Tell them what you want!

## LEARN

Learn what to expect and  
what you can do at the hospital.

## SHARE

Share what you want with  
your care team.

## SUCCEED

When you go in prepared,  
you'll be ready to fall in love.

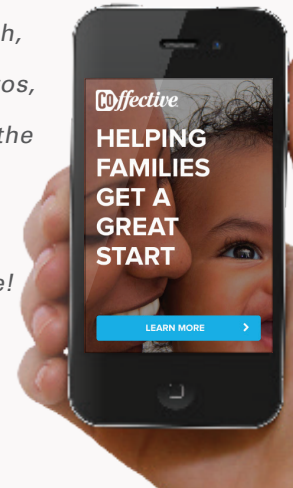

## Every Family Deserves a Great Start

The research is clear – you can get a great start when you're prepared! The topics listed on this checklist will help you do just that. When you come to the hospital prepared and ready, you're more likely to reach your goals. Ask your family and others who will be part of your team to learn all they can, too. That way you'll have a team of support as you welcome your new baby!

## Learn More with a Free Mobile App

Find out more about all of these topics on the free Coflective mobile app. It's easy! Use the QR Code to download and start learning today! Coflective is trusted by many because it's:

- ✓ *Written by experts,*
- ✓ *Based on current research,*
- ✓ *Filled with beautiful photos,*
- ✓ *Has the info required by the Baby-Friendly Hospital Initiative, and...*
- ✓ *Shows fathers and other family members their role!*

# Surround Yourself with Support

## Community Resources

There are many people, and organizations, that can help families prepare for the hospital.

- New parent classes at your hospital
- Moms' groups
- Lactation consultants
- Doulas
- Local health department

## Women, Infants & Children (WIC)

WIC has many services and support for pregnant women and families.

- Nutritious foods
- Nutrition education
- Breastfeeding support
- Referrals to other resources in your area

Many people are also surprised at how much you can make – a family of four can qualify with about \$45,000 in yearly household income.

## Home Visiting Programs

Many communities have programs that can help pregnant women and new families with:

- Support in your home
- Better health
- Helping your child be ready for school (in some programs)
- Referrals to other resources in your area
